Cloth ear seal covers included

Also Available

4LX Listen Only

The 4DX headset with ventilated, cushioned headpad, combined liquid and foam ear seals. Single-volume control, coil cord with mono 1/4" headphone plug. NRR 24dB.

Also available with 4-conductor single helicopter plug (U-174/U).

Characteristics

Comfort:

The ventilated, cushioned headpad lets air in and heat out for cool comfort. If you want something softer, it's easy to attach our polar fleece headpad. Liquid/foam ear seals snugly wrap around your ears.

Innovation:

With its fingertip screws, a quick turn of the finger allows you to easily position the wire articulated boom. Adjust it to your needs.

Noise Reduction:

Silent technology at work. Liquid/foam seals comfortably cover your ears shutting out noise. Noise reduction rating: 24dB.

No Risk:

Fly 'em and Try 'em for 30 days, no risk. We know you'll love your headset. If not, return it within 30 days for a full refund.

Three-year warranty..
