

For the fun of flying.

FLIGHTCOM

# 5DX Classic

Our classic 5DX offers new features to greatly improve comfort and ease of use. How does this sound? Volume controls for each ear, a precision flex boom, soothing silicone gel ear seals, and to top it off - a soft, polar-fleece headpad. They look as good as they feel.

Easy to adjust headband

Comfortable, washable polar-fleece headpad

Soft silicone gel ear seals

Noise-canceling electret microphone

Dual-volume controls

Precision flex boom adjustable for length

## 5DX Specifications

**Weight:**

17.9 oz.

**Microphone:**

Noise-canceling electret

**Ear Seal:**

Silicone gel

**Noise Reduction Rating:**

22dB

Mic muff included

Cloth ear seal covers included

## Characteristics

**Comfort:**

The wide headpad disperses pressure for a better feel. Silicone gel ear seals provide additional comfort and help reduce extraneous noise.

**Innovation:**

Most people hear better in one ear than the other. With well-placed dual volume controls you can adjust each ear cup's volume as needed. The result? A smooth, even sound.

**Audio Compatibility:**

Stereo/mono switch ensures compatibility with any intercom system.

**Noise Reduction:**

We keep it quiet with our advanced hearing protection technology. Silicone gel seals effectively block out sound. Noise reduction rating: 22dB

**No Risk:**

Fly 'em and Try 'em for 30 days, no risk. We know you'll love your headset. If not, return it within 30 days for a full refund.

**Three-year warranty.**
